

Academic Writing Task 1

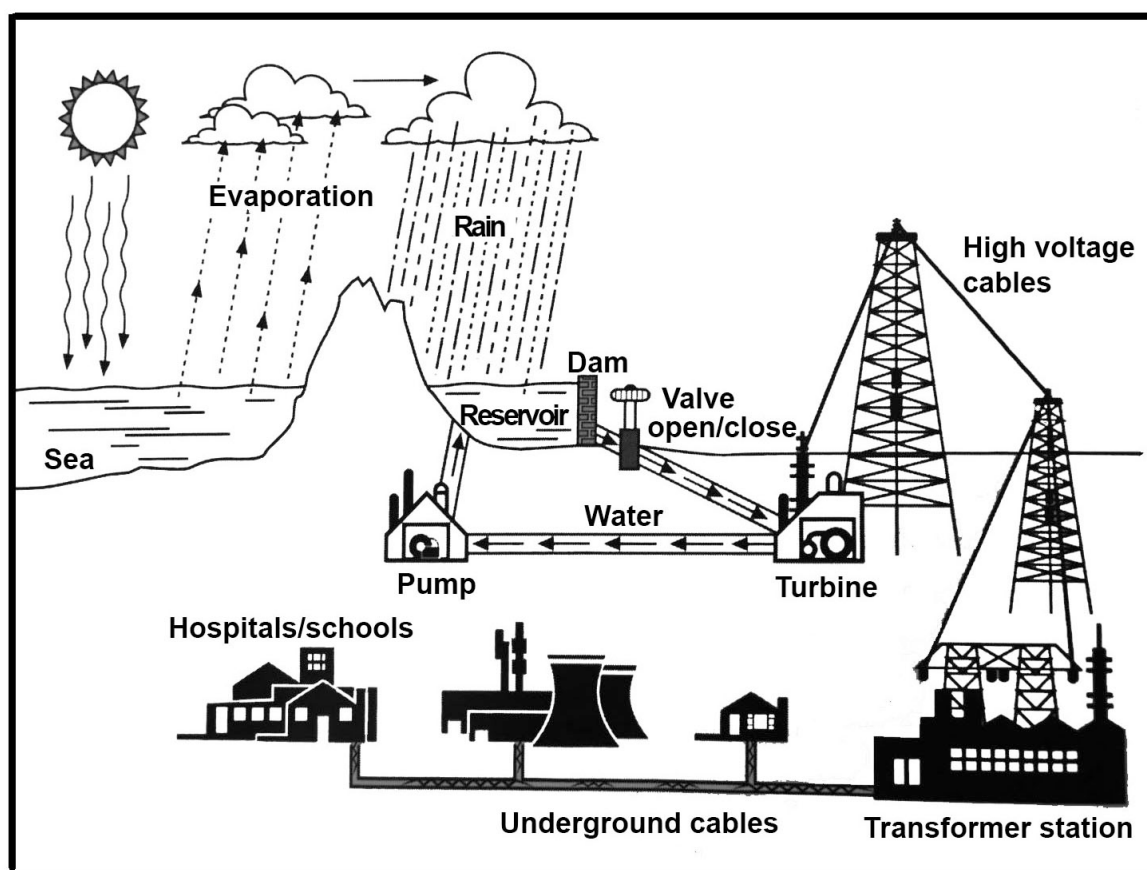

You should spend about 20 minutes on this task.

The diagram shows how electricity is generated by a hydroelectric dam.

Summarise the information by selecting and reporting the main features and make comparisons where relevant.

Write at least 150 words.

Hydro-electric power generation

Academic Writing Task 2

You should spend about 40 minutes on this task.

Write about the following topic:

Young people often have ideas or attitudes that are different to those of their parents or grandparents.

How do ideas and attitudes differ between generations in your society?

Do you think that these differences cause any problems?

Give reasons for your answer and include any relevant examples from your own experience or knowledge.

Write at least 250 words.
